Thanks to Web Summit for hosting!

Objectives

- To explore how we as a tech community in Ireland can support Ukraine.
- To find out about some of the needs identified and actions underway.
- To agree how we build on efforts underway – themes for working groups – leads.

Format

Welcome

Tech Community Response

Agree Next Steps: Themes, working groups, follow-up.

How it started

 **Anton K** 🇺🇦🇺🇦🇺🇦🇮🇪🇮🇪🇮🇪 @AntonKrasun · Feb 26
I am overwhelmed with all support myself and my family has received all over the world 🇮🇪🇬🇧🇺🇸🇨🇦🇩🇪🇸🇪🇦🇪🇩🇪🇫🇷🇪🇸🇹🇷

BUT WE NEED TO HELP MORE PEOPLE.
Built this overnight with volunteers from web3community.

Tech Community Response

The Need: Supporting Startups

- . **Need:** To support startups impacted by the war in Ukraine (funds, mentors, software).

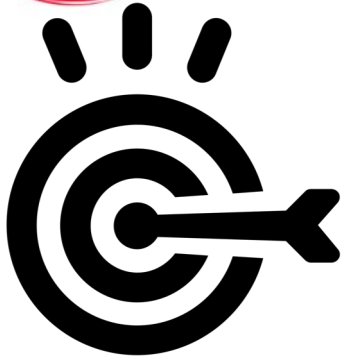

Comments?

. Working
Group

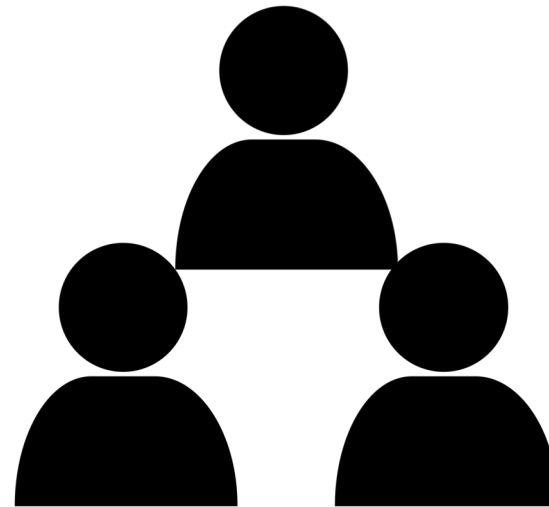

The Need: Fact Sharing

- . **Need:** To share information and facts about Ukraine war particularly to Russians abroad and in Russia.

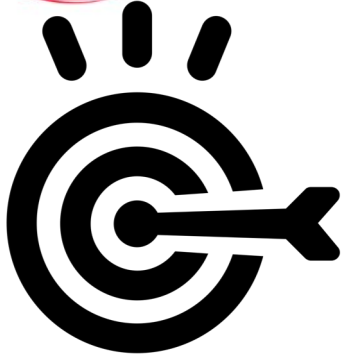

Comments?

. Working
Group

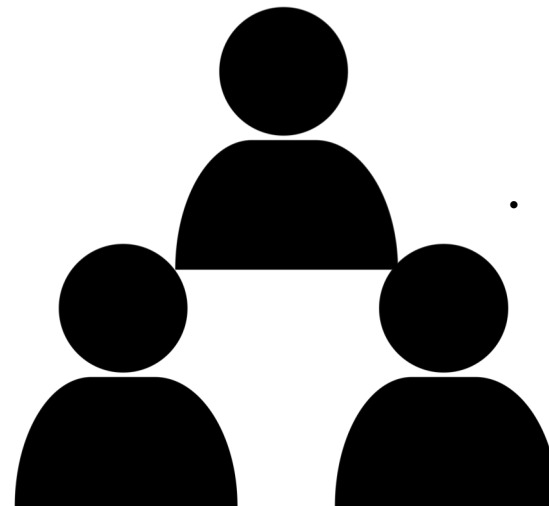

The Need: Welcome to Ireland

- . **Need:** To gather offers, pledges of support from companies/organisations (versus individuals)
E.g gym membership, conference tickets, discount on clothes.

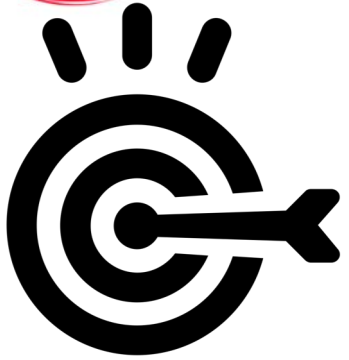

Comments?

. Working Group

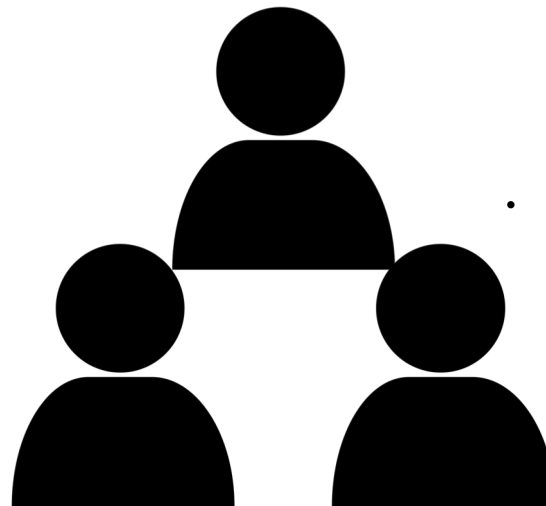

The Need: Simplify Legal

- . **Need:** To collate, document and share the different paths for residency rights and entitlements.

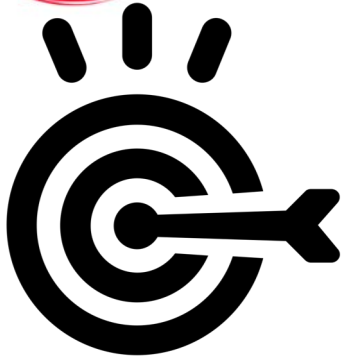

Comments?

. Working Group

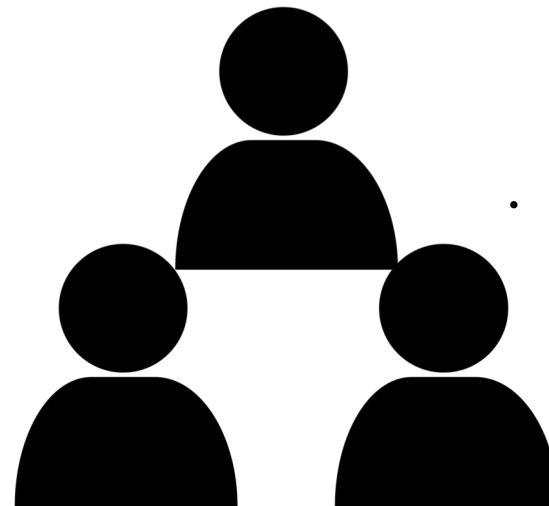

The Need: Techies in Solidarity

- . **Need:** To match techies with skills to charities, not for profits who need support o maximise efficiency.

Comments?

. Working Group

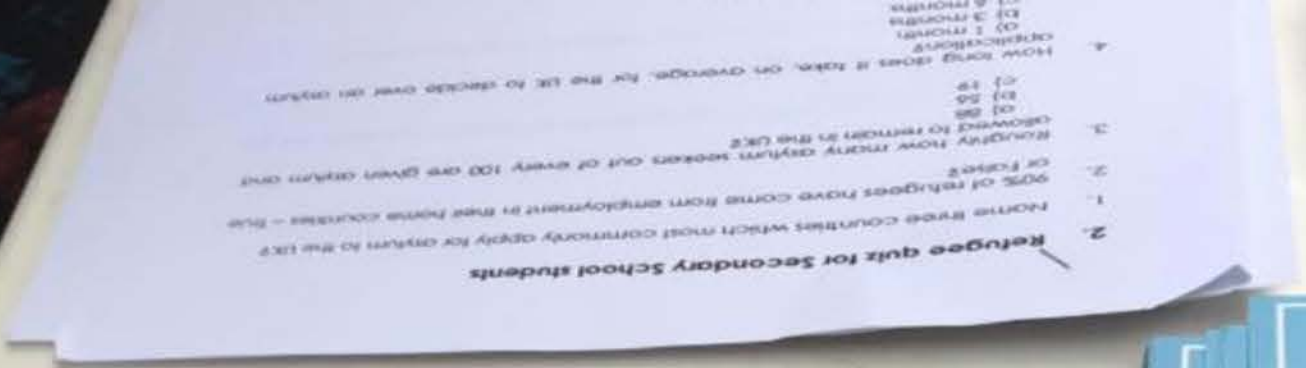

Next Steps

Email everyone a sign up form to join a working group.

More focused workshops to come.

Share slides.

A huge shout out to [Airbnb](#) and [Brian Chesky](#)
Booked a few apartments today in Ukraine
They have waved all fees and this is a great method for putting funds directly
in the hands of people on the ground

The Ukrainian government has gathered more than \$42 million in cryptocurrency donations since Saturday, plus digital artwork including a limited edition worth roughly \$200,000, according to blockchain analytics firm Elliptic. The challenge is how the country cashes in on these assets to fund its war needs.

About this group

We are a global community of women, a place where sisters can connect to form friendships around the world during their travels or even share their homes for free as part of a cultural exchange.

Host A Sister welcomes all females age 18 or older to join regardless of which gender was assigned at birth.

Through Host A Sister You Can:

- ✅ Find free accommodations with a local sister when traveling
- ✅ Find a local sister to meetup with in her hometown or meetup with other sisters traveling to the same location
- ✅ Share your home with other women who are traveling to your hometown
- ✅ Offer your friendship to another sister who is traveling and help her explore your hometown
- ✅ Find a female travel buddy and plan a trip together
- ✅ Organize a Host A Sister event in your hometown or a town you are visiting during your travels

Ukraine - How You Can Help

We encourage people to provide donations to organisations who are working on the ground with emergency response teams in the Ukraine or in border countries.

How can you support People in Ukraine?

The following Irish organisations are responding to humanitarian needs in Ukraine today:

- ChildFund Ireland
- Concern Worldwide
- GOAL
- Habitat for Humanity Ireland
- Irish Red Cross
- Misean Cara
- Oxfam Ireland
- Salesians of Don Bosco Ireland
- SERVE
- UNICEF Ireland
